April 2014 Monthly Report

Adult Care Center:

Ribbon Cutting Ceremony – May 22nd:
 The Adult Care Center was pleased to celebrate the grand opening of the renovated lobby, Memory Care Unit and Short Term Rehabilitation Unit.

Tours were provided of the Memory Care Unit highlighting the safe and pleasant environment for residents with dementia. Tours were also provided of the updated Short Term Rehabilitation Unit focusing on the bright, spacious renovated Therapy Department and the remodeled resident rooms. Many of the rooms offer single room accommodations and spectacular lakeside views. Those visiting the units were greeted by the staff who take exceptional pride in the services and care they give.

Gardens:

The beautification of the grounds was made possible by the efforts of residents, registrants, families, Family Council and staff. Thanks to their combined efforts the raised flower beds, container gardens and herbal gardens have been planted.

Community Services:

- Ongoing Operations: Our overall operations were performed significantly better than last year's pace.
 The chemical dependency outpatient treatment clinic's productivity was slightly down compared to last year (see statistics attached) However, per fulltime equivalent staff they performed similarly to last year.
 The Department served 1325 Sullivan County residents in April.
- The care management unit continues to actively engage Health Home participants in the development and engagement of the health plans as well as enrolling those persons eligible in Care Management programs.
- Local Government Units Activities: The Department had the first of a number of planning and technical
 assistance meetings with the Administration of CRMC to look at how the hospital can integrate behavioral
 health services into their ambulatory health clinic. While there is a great deal to consider both
 programmatic and fiscally, all were optimistic in creating a model of integrated care as proposed in both
 the NYS Medicaid Redesigned Plan as well as the Affordable Care Act.
- Sullivan County has been awarded in \$125,000 Office of Mental Health state aid to implement a plan of
 peer support services to people with serious mental illness and families to better integrate into our
 communities and avoid unnecessary hospitalizations and arrest. The Department administration met with
 the Executive Directors of the Friends and Advocates for Mental Health and Action Toward Independence
 to develop an implementation plan for these needed services.
- The Department's Behavioral Health Planning committee met and reviewed the local services plan as to
 progress toward many goals for behavioral health needs/services but in particular the stated goals of
 enhance peer support services; supported housing and suicide prevention activities. Taskforces for both
 peer support development and suicide prevention have been named and will be seeking grant monies
 where available.

- The Director accompanied the Local Office for Persons with Developmental Disabilities Open Door (waiver services intake assessment) Coordinator to a county-wide meeting of a the School Districts Pupil Personnel Directors to discuss the process of applying for waiver services as well as community support services for students and their families in Sullivan County. This process has change over the last year or so and this meeting was very necessary to assist families in need of the various forms of help from the Office of Persons with Developmental Disabilities service agencies.
- The Director participated in the NYS Local Conference of Local Mental Hygiene Directors Spring Membership meeting. There were presentations from the NYS Department of Health Medicaid Redesign Director Greg Allen on the NYS Delivery System Reform Incentive Payment Program (DSRIP), Acting NYS Office of Mental Health Commissioner Ann Sullivan presented on the push for the implementation of the Regional Centers of Excellence in light of the New York State budget plan, Commissioner Arlene Gonzales-Sanchez from the Office of Alcoholism and Substance Abuse Services discussed her offices plans in light of the state budget deal as well as pending legislation to address the heroin and opioid epidemic impacting New York State.
