

## Equipment Loans

The Sullivan County Office for the Aging offers used medical equipment that seniors may borrow for their personal use. Among the items available are wheelchairs, walkers, canes, shower seats, and commodes. Loans allow seniors to get the equipment they need without investing in something they may only need short-term.

We ask that all equipment be returned as soon as the person no longer needs it.

The suggested contribution for this service is \$10 per equipment item for each 3-month period of use.
