Staff: \$10,000

The YMCA will need additional staff to oversee our new Environmental site in Rock Hill. The staff responsibility will include the co-ordination of scheduling groups and guidance of youth groups from such places as our towns, villages, camps, and schools. Staff will also be assisting youth to learn about the benefits of wetlands and wildlife habitats and to participate in implementation of these projects through hands on activities.

YMCA is expanding its services in Sullivan County by identifying a new location for a YMCA facility. Current and potential YMCA adult and youth members will be an integral part of this projects success.
