WHAT IS RSVP?

RSVP has a needlework Program that donates all hand made items to agencies who assist the needy of Sullivan County

The RSVP program places interested persons in meaningful volunteer

opportunities. The volunteers share their time, experience and knowledge with

others in their communities. They use their experiences to tutor children, assist at hospitals, help adults with literacy needs, deliver meals on wheels, or volunteer at a one time community event.

WHO CAN JOIN RSVP?

Any person 55 years of age or older, retired or not, who has some time to share and who enjoys helping others.

With RSVP, you choose how and where you want to serve. You choose the amount of time you want to give. In short, you find the opportunity that's right for you.

HOW CAN I LEARN MORE?

You may call the RSVP office at 845-807-0251. We can arrange a convenient time for an interview to get to know you and your interests, skills, and hobbies so we may best place you with a local agency.

RSVP staff are also available to speak to groups who may be interested in joining this worthwhile program..

RSVP = RESULTS

What ever you choose to do, you'll be making a real difference.

Stronger families.

Cleaner water.

Safer communities. With RSVP, you'll see tangible outcomes and learn first hand how your contributions can change our community.

WHAT ARE THE BENEFITS?

RSVP carries supplemental liability

coverage on our volunteers personal liability, personal accident, and auto liability.

This coverage would be secondary to your own insurance coverage.

RSVP reimburses volunteers for mileage (with limits) to and from the assignment or volunteer station. (Unlimited travel for Medical transport volunteers).

If you have a few hours a month, why not consider volunteering with the Retired Senior Volunteer Program?

We will match your interests, your skills and talents with community agency needs right here in Sullivan County.
