

Full&Part-Time Veterinarians * Jeffersonville Animal Hospital

Overview: Jeffersonville Animal Hospital is seeking Full-Time and Part-Time Veterinarians.

Jeffersonville Animal Hospital is seeking a Veterinarian to join our established practice, nestled in the Western part of the Sullivan County Catskills serving the community for over 75 years. This is an ideal opportunity for an experienced veterinarian or new graduate alike; we are open to a full-time associate position or a part-time weekend traveler seeking both a city and country lifestyle.

The team at Jeffersonville focuses on enhancing the human-animal bond, professional collaboration, and client communication and are proud of our four LVTs on staff as well as our experienced and caring support staff that have been with us through the years.

What you will love about our practice

- Flexible schedule with dedication to work-life balance
- Compassionate and highly trained tenured staff
- No-on call weekends or after-hour requirements!
- Dedicated mentorship and family-oriented environment
- Newly expanded imaging and state-of-the-art surgical suites
- Advanced diagnostic features such as ultrasound and digital radiology

The emotional and physical well-being of our employees is important to us.
