

Physical Therapist * Roscoe Rehabilitation and Nursing Center in Roscoe, NY

Overview: Roscoe Rehabilitation and Nursing Center is seeking a full time Physical Therapist in Roscoe NY.

Physical therapists work with patients to improve their movement and manage their pain. PTs use a variety of techniques to help their patients, including hands-on therapy, strengthening and stretching exercises, electrical stimulation, ultrasound, ice/heat, and much more.

RESPONSIBILITIES:

Conducting physical and psychological assessments of clients to understand their physical condition and develop or follow a treatment plan

Participate in family care plan meetings and educate caregivers and family members of clients on patient care

Creating personalized fitness-oriented healthcare programs for patients

Administer medically prescribed physical therapy treatments to relieve pain and improve mobility

Consult and collaborate with other healthcare professionals regarding patients

Documenting patient care history

Demonstrate ability to work with geriatric residents

Other duties as assigned

REQUIREMENTS:

Background Check

Degree in Physical Therapy from a program accredited by the American Physical Therapy Association (APTA) required

Current PT license in NYS required

Must have knowledge, skills, and techniques of age-specific developmental factors and be able to evaluate patients

Must have up-to-date knowledge of treatment practices and physical therapy programs

Experience in long-term care preferred

Must be flexible, punctual, professional, and reliable

Strong customer service skills and compass

Salary, shift, and benefits; \$33 to \$37 hourly, depending on experience, shift varies. Benefits include; Health Insurance, Dental Insurance, Paid Vacation, Paid Sick Leave, and Holidays.
