Dear Clinician,

As a reminder, please note that all Covid-19 test results must be delivered to your patients directly. Please do not direct patients to call Sullivan County Public Health Services in order to get the results of the test. At this time public health services does not have the resources to contact patients with results, and this is the responsibility of the testing provider.

Thank you for your attention to this matter.

Bruce Ellsweig, MD
Medical Director
Sullivan County Public Health Services
